Remote Learning with Kami: For Students

Getting started with Kami's integration with Google Classroom

TM

Step 1

- Ef Install the Kami Chrome Extension in your Google Chrome Browser ([link to app/extension](#))
- Ef Click the **Add to Chrome** button, then **Add Extension**.

Step 2

- Ef Go to [Google Classroom](#), open your class, and go **Classwork**.
- Ef Open your **Assignment**, and choose the file you wish to work on.
You should now see a preview of the file; click **Open with Kami** to start completing your work in Kami.

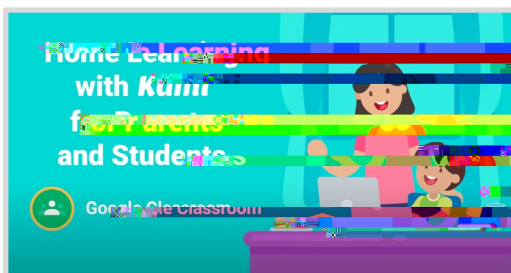

Step 3

Ef
